

The Huguenot Society of Australia presents ...

Living Side by Side:

Relations Between
Protestants and
Catholics in a Small
French Town
(1563-1685)

A presentation by Neil Renaud

on Saturday 19 August 2023, starting at 2.00pm

at Gordon Baptist Church Hall, Park Avenue, Gordon
(near Gordon railway station).

All interested persons welcome.

Afternoon tea to follow.

What's it about?

"The history of the Huguenots in France often seems to be about wars, massacres, Dragonnades, the Revocation, galley slaves, and the "Désert". A study made in 2003 indicates a slightly different story in the small town of Authon-du-Perche, a story of relative 'peaceful co-existence'. I want to present the findings of that study."

The presentation will be recorded and placed on the "members only" section of our website (<https://huguenotsaustralia.org.au>).

See you there – Neil (phone 0423 157089)
