

## **Huguenot Heritage Church Service a Wonderful Event**

Our annual Huguenot Heritage Church Service was held on Sunday afternoon 22<sup>nd</sup> June at St Swithun's Anglican Church, Pymble, with a great attendance. Thanks to Pamela Summers for organising the service, The Ven. Dr Geoff Huard for leading the service, Julie Hobson, Neil Renaud, Pamela Summers, Sarah Staveley, Robert Nash and Don Mayes for their Bible readings, Sarah Staveley for publicity and the marvellous Huguenot cake, Judith Staveley for organising wine, and all who helped Sarah and Judith, in organising and providing afternoon tea. We also greatly thank Archbishop Peter Jensen for his address, the St Swithun's Choir and its Director Phillip Linquist, organist Peter Hamilton, the St Swithun's Rector Stuart Holman, and Chris Hollister who looked after the sound. It was wonderful to hear so much of the delightful French language. *C'est magnifique.*

Brian Watson of the St Swithun's choir reminded us that they have been contributing to this annual service since at least 2013, initially in Scot's Church Sydney, then from 2016 at St Swithun's. In 2015 the choir started singing *La Cévenole* in French.

**HSA members are advised that this (2025) service was videorecorded, and is now in the members only section of this website for viewing.**
