

## Annual Huguenot Lunch a Great success

A very good attendance of 21 people was present at our annual Edict of Nantes lunch on Friday 10 April, at La Bouitte French Bistro, North Willoughby. Great French food and wonderful service. As usual, our Secretary Robert Nash reminded us of what we were actually celebrating, talking about the personality and accomplishments of Henry (Henri) IV, King of France and Navarre, who issued the Edict in 1598. Judith and Sarah Staveley are to be congratulated on their fine organisation of the event.
