

Huguenot Church Service Another Big Success

Our annual “Celebration of Huguenot Heritage” church service was held at St Swithun’s Anglican Church, Pymble on Sunday 28 June 2026. It was a well-attended and successful occasion, with perhaps 60 people present. Dr Marcia Cameron, our immediate past president, led the service, with the Rev. Michael Deasey giving the address, which focused on the role of the Psalms in public worship. Various HSA members gave the readings, in both English and French. Thanks are extended to Peter Hamilton (organist), Carine Jenkins (conductor) and the St Swithun’s Choir, Ross Miller (sound desk) and the two trumpeters (Arkie Moore and Harriet Channon). As at past services, *La Cévenole* was beautifully sung by the choir. A sumptuous afternoon tea topped off a wonderful afternoon.
